why smart hardwood?

Superior performance is built in to every TORLYS smart floor.

- Smart Hardwood:
- Scratch-resistant finish
 - Real Wood Layer
 - TORLYS Smart Core
 - Patented Uniclic Joint
 - Backing for added stability

WHY SMART HARDWOOD?

- Multiple layers of scratch-resistant, eco-friendly, water-based urethane finish that is warranted for up to 35 years.
- Patented Uniclic® Joint resists ugly gapping. No other joint outperforms TORLYS Uniclic® Joint.
- TORLYS Smart Core is ultra dense and engineered to be more dent resistant than conventional hardwood.
- Move It and Re-use It—every TORLYS floor can be disassembled and re-used in another room or home.

STARTS BEAUTIFUL, STAYS BEAUTIFUL

The result is a stunning hardwood floor created with minimal environmental impact. TORLYS Smart Hardwood is easy to install and maintain, and designed for long-lasting beauty.

PERFORMANCE

SMART UNICLIC® JOINT TECHNOLOGY

- The strongest-possible joint in flooring today.
- Constant lower lip pressure creates the tightest joint.
- Tested to withstand extraordinary joint stress—more than 1,000 lbs of pressure per linear yard is needed to pull apart two TORLYS planks.
- Milled to 1/1000 of an inch for the most exacting fit.

MOST SWELL RESISTANT

- Tested in water for 24 hours, TORLYS floors outperform. While ordinary floors can swell 20% or more, TORLYS Smart Floors register as low as 6%.
- Lowest swell rates prevent ugly raised edges and reduce chipping.

SMART CORE

- TORLYS ultra-dense, compressed Smart Core resists denting.
- Other floors may dent visibly more than TORLYS.

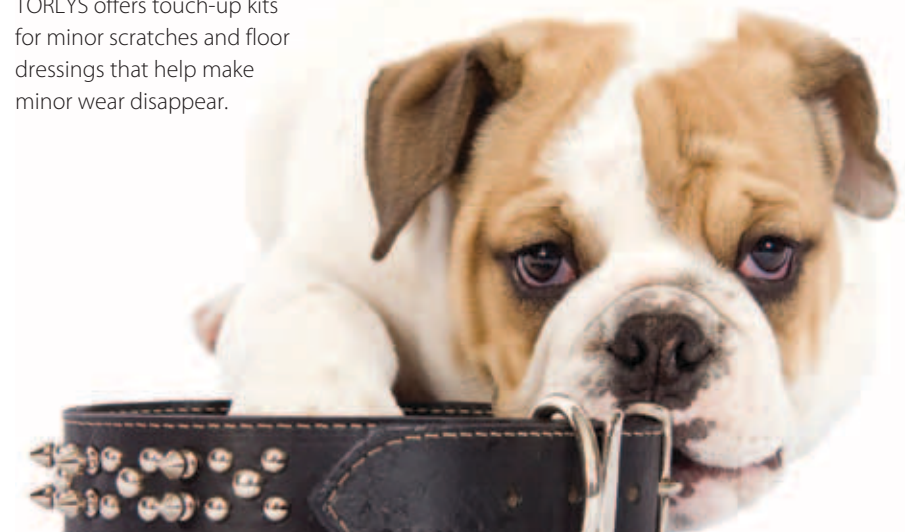

PROTECTION

BULLDOG™ EASY PLANK REPLACER A FLOOR'S BEST FRIEND

TORLYS beautiful floors smarter use of natural resources

“We reduce the amount of resources needed to make our products. We re-use cork, leather and wood in our floors and offer floors that are FSC® Certified from managed forests. We even encourage customers to re-use or re-purpose their TORLYS floors. At TORLYS, we’re inspired by nature in our journey to create a smaller footprint. We urge you to rethink the way you look at flooring too.”

~ Peter Barretto, CEO and President

ENVIRONMENT

HEALTHY HOME

THE HIGH-STANDARDS OF TORLYS FLOORS

- All TORLYS floors and underlays are CARB 2 compliant and meet the Healthy Home requirements set by the European (E1) and California (Section 01350) indoor air quality standards—the most stringent in the world.
- Many TORLYS floors come with recycled cork backing for comfort, and include Microban® antimicrobial protection to inhibit the growth of odour causing bacteria, mould and mildew.
- TORLYS products contribute to LEED® (Leadership in Energy and Environmental Design) in three areas —materials and resources, indoor environmental quality, and innovation and design.

SMARTER USE OF NATURAL RESOURCES

- Do more with less—we produce up to 30 times more hardwood flooring from a single tree than other flooring companies.
- Sustainable—we source hardwood from managed forests.
- Repurpose—every TORLYS floor can be disassembled and re-used in another room or home. You can even donate it to a local Habitat for Humanity® ReStore.

MAINTENANCE

KEEP YOUR TORLYS SMART FLOOR LOOKING BEAUTIFUL

- Dust mop (with a non-treated, clean mop) or vacuum regularly to remove loose soil and wipe up spills quickly with cloth or sponge.
- Clean as required with TORLYS Natural Glow Eco-Friendly Cleaning Kit.
- Only use TORLYS maintenance products. Never use wet mops, highly acidic or alkaline cleaners, non-recommended commercial cleaners or polishes, or a treated mop that has been used to clean other floors or furniture.
- Use floor-protector pads on furniture feet. Protect your floor from hard castors on moveable furniture.
- Use caution when wearing high heels as they can dent hardwood. Keep your pet’s nails trimmed.
- Use entry-way (non-skid cotton) mats to capture tracked-in-dirt and soil, and clean them regularly. Rubber or fiber-backed mats may stain or scratch floor finish.

MAINTAIN HUMIDITY IN YOUR HOME

TORLYS smart floors are natural products. Use a humidifier or dehumidifier to regulate humidity (30 – 60%) and minimize expansion and contraction. This is required to preserve your floor.

TORLYS NATURAL GLOW® ECO-FRIENDLY CLEANING KIT

TORLYS eco-friendly cleaning products are biodegradable (with no VOCs) and fragrance free. Clean your floor as required with this easy-to-use kit.

TORLYS DRESSING

A specially-formulated biodegradable coating that helps revitalize and protect your TORLYS hardwood floor.

Visit www.torlys.com for more information on maintaining your TORLYS hardwood.

UNDERLAY

Breakthrough Technology. Superior Underlay.

Now with antimicrobial protection that helps eliminate mould and mildew!

Choosing the correct underlay for your new TORLYS Hardwood is crucial for the protection of your flooring, your warranty and to enhance the warmth and comfort of your new hardwood.

New TORLYS Safe and Sound (5-in-1 Foam Underlay) TORLYS Safe and Sound reduces the sound of steps, eliminates "hollow" sounds and keeps floors quiet. TORLYS Safe and Sound features a built-in vapour barrier and a 3" self-adhesive strip as well as antimicrobial protection (kills bacteria and mildew), making it a perfect choice for basements and installations over concrete sub-floors. The New TORLYS Safe and Sound is now suitable for glue-down and nail-down installations of any type of hardwood (solid or engineered), LVT or vinyl plank flooring!

New TORLYS Acoustik (4-in-1 Foam Underlay) TORLYS Acoustik has superior impact sound insulation properties (IIC-rated), ideal for highrise installations where the transfer of sound from one apartment to the one below is a concern. TORLYS Acoustik also features a vapor barrier and a 3" self-adhesive strip.

New TORLYS 3-in-1 Foam Underlay

This foam underlay provides cushion and step-sound reduction for your TORLYS Hardwood floor. It includes a vapor barrier with a 3" self-adhesive strip to ensure your entire floor is protected from sub-floor moisture.

New TORLYS Cork Underlay

TORLYS Cork Underlay is a superior natural insulator with long-lasting performance. An environmentally-friendly product, TORLYS Cork Underlay offers natural air-cushioning for comfort, sound step absorption and thermal insulation.

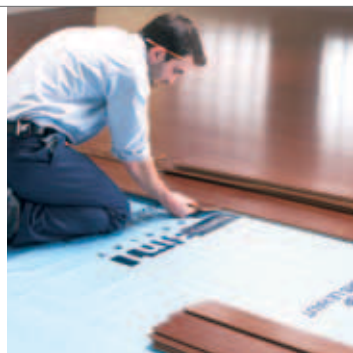

MOULDING AND TRIM

TORLYS Hardwood floors require a transition moulding to cover the expansion gap mandatory in floors wider or longer than 30' and at doorways.

Solo Multi-Functional Moulding

(length: 84-1/2")

1. **T-Moulding:** used to adjoin two floors of identical height.
2. **A Reducer:** used to transition two different floor heights.
3. **Square Nose, in one profile:** edge moulding used to conceal the expansion gap around the perimeter of a room and to transition TORLYS Hardwood to carpet.
4. **Stair Nose:** (length: 84"), Stair-edge trim moulding for installation of TORLYS Hardwood on staircases.

frequently asked questions

Have a question or comment?
Visit www.asktorlys.com.

Can I put TORLYS Hardwood anywhere in my house?

TORLYS Hardwood is an engineered product, well-suited for installation below grade, over concrete and even over existing floors. Depending on the application, different underlays may be required. Ask your local TORLYS dealer for more information on different applications and what you may require.

Should I expect shade variation in my TORLYS Hardwood?

Yes. Variation of shade and grain are characteristic of hardwood floors. In fact some species, Rosewood for example, will exhibit wild grain and colour variation as an integral part of their inspiring beauty.

What is the TORLYS Bulldog™ Easy Plank Replacer?

Only TORLYS offers you the Bulldog, a tool that allows you to repair any plank in your floor, even if it's in the middle of your room, with no power tools and little dust or noise. Ask your TORLYS retailer for details.

Is TORLYS Hardwood difficult to maintain?

TORLYS Hardwood requires the same maintenance as all other TORLYS floors. Simply vacuum or sweep your floors on a regular basis. Clean as required with TORLYS Natural Glow Eco-Friendly Cleaning Kit.

Can I install TORLYS Hardwood myself?

TORLYS Hardwood uses the patented Uniclic joint, nail-free joint system that ensures a great-looking floor

and makes installation easy. All you need is a saw, hammer, installation kit, tape measure, pencil and some time to install your floor. There are also professional installers. Ask your local TORLYS dealer for more details on installation.

What is the TORLYS Trade-in Value?

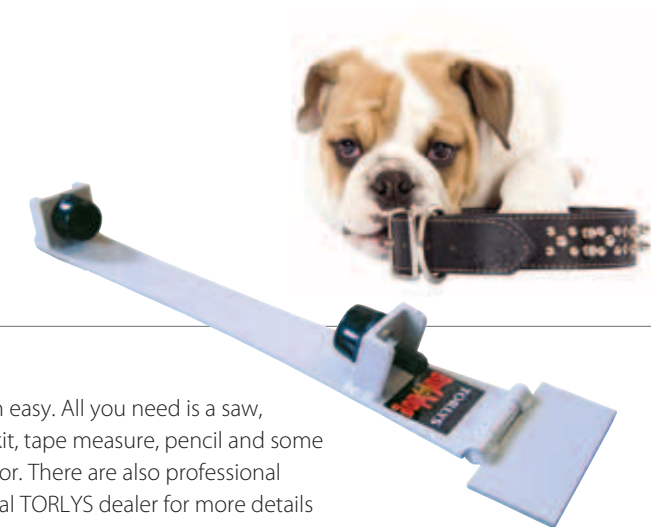

The TORLYS Trade-In Value is an innovative new program – the first of its kind! Years down the road when you want to change your floor, TORLYS will provide you up to 20% of the original purchase price of your old TORLYS floor. Register your warranty for your new floor. For more information and to register your warranty visit www.torlys.com.

What is the 30/30, 30/60, 30/90 Satisfaction Guarantee?

If after 30 days you are not happy with your TORLYS floor, for whatever reason, contact your retailer and TORLYS will replace your floor with a TORLYS floor of equivalent value. All you pay is the price of installation. See www.torlys.com for details.

Can I order samples of TORLYS floors?

Yes. TORLYS Online Sample Ordering makes it easy to request any flooring sample. Visit www.torlys.com. For a small fee, order a minimum of three 4" X 6" flooring samples of the collection and style of your choice.
