

Say hello to beautiful carefree living

It starts with an inspiration - a pillow, a swatch of fabric, a magazine photo - and before you know it, you're on your way to creating the room of your dreams.

Inspired by nature and created to meet the design needs of any space, TORLYS Laminate Floors will stay beautiful for decades. Richly textured to look and feel like hardwood, TORLYS Laminate brings a welcome elegance to hard-wearing surfaces known for their durability and long life.

TORLYS offers five distinctive laminate flooring collections, each created to fit your design taste and lifestyle. The collections offer style aesthetics with smooth and textured finishes, narrow and wide planks, domestic and exotic wood variations.

Like all TORLYS Smart Floors, a state-of-the-art eco-engineered production process ensures an environmentally friendly floor. And TORLYS Laminates are hypoallergenic — they don't retain allergens or dust mites — a big plus for indoor air quality.

Welcome to the joy of beautifully styled floors that are easy on your budget and a dream come true for cleaning and maintenance.
Welcome to TORLYS Laminate Floors. And to carefree living.

Accessories Underlayment

Choosing the correct underlayment is crucial for the protection of your new TORLYS Laminate Floor, your warranty and to enhance warmth and comfort.

TORLYS Safe and Sound - Breakthrough Technology

TORLYS Safe and Sound reduces the sound of steps, eliminates "hollow" sounds and keeps floors quiet. With a built-in vapor barrier and a 3" self-adhesive strip, TORLYS Safe and Sound underlay offers antimicrobial protection (kills bacteria and mildew), making it a perfect choice for basements and installations over concrete sub-floors.

TORLYS Acoustik (4 in 1 Foam Underlayment)

TORLYS Acoustik has superior impact sound insulation properties (IIC-rated), ideal for high-rise installations where the transfer of sound from one condo to the one below is a concern. TORLYS Acoustik also features a vapor barrier and a 3" self-adhesive strip.

TORLYS 3 in 1 Foam Underlayment

This foam underlayment provides cushion and step-sound reduction for your TORLYS Laminate Floor. Includes a vapor barrier with a 3" self-adhesive strip to ensure your entire floor is protected from sub-floor moisture.

Cork Underlay Sheets and Rolls

Cork is a natural, hypoallergenic product with excellent characteristics of warmth, sound deadening, insulation and durability. Must be used with a 6 mil poly when installing over concrete sub-floors.

6 Mil (0.15mm) Poly Rolls

CGSB-rated 6 mil (0.15mm) moisture barrier, used in conjunction with cork underlayment over concrete sub-floors.

Laminate Maintenance

TORLYS recommends Natural Glow® Eco-Friendly Maintenance Kit for easy maintenance. It's biodegradable, easy on the environment, and makes every TORLYS Laminate Floor spotless.

Installation

The installation of TORLYS Laminate Flooring is fun, fast and easy. Detailed instructions are included in every box and are also available at www.torlys.com.

Mouldings and Trims

TORLYS Laminate Floor requires a transition moulding to cover the expansion gap mandatory in floors wider or longer than 50' and at doorways.

INCIZO Multi-Functional Moulding

A Reducer, T-Moulding and Square Nose, in ONE profile. 1-7/8" (width) x 84-1/2" (length), (48 mm x 2150 mm)

Stair Nosing

Stair-edge trim moulding for installation of TORLYS Laminate on staircases. 2-9/16" (width) x 94-1/2" (length), (65 mm x 2400 mm)

Flush Stair Nosing

Made of two components: an MDF core strip (available in the same thickness as TORLYS Laminate Flooring and featuring the Uniclic® joint) and an aluminum cover that is wrapped in the same material as your TORLYS Laminate Floor, Clicks flush into your TORLYS Laminate Floor, thus eliminating the overlap of traditional stair nosing. 3-5/32" (width) x 98-7/16" (length), (80 mm x 2500 mm)

Ouarter Round

Baseboard trim for room perimeter. 3/4" (height) x 3/4" (width) x 94-1/2" (length) (19 mm x 19 mm x 2400 mm)

Laminate Layers

Multiple layers compose each laminate plank in order to look and feel like real wood and create greater durability - all at an affordable price.

- 1) A veneer backing layer provides a moisture barrier and added stability
- 2) Patented Uniclic® Joint The most advanced, gap-resistant joint system available todav.
- B) Real wood-like textures featuring natural designs.
- 4) A top finishing layer to ensure your floor stays beautiful year after year.

What makes TORLYS Laminate floors different than other floors?

1) It's Eco-engineered. Like all TORLYS Smart Floors, a unique eco-engineered production process ensures an environmentally friendly floor. TORLYS Laminate Floors are made in Europe and North America. Its North American produced Laminate floors contain no less than 74% recycled and fast growing softwood from managed forests for its state-of-theart, high density Smart Core.

2) No harmful VOCs. TORLYS Laminate Floors help you create a healthier home as they contain no harmful VOC emissions, no added formaldehyde and exceed California Indoor Air Quality standards, among the most stringent in the world.

Can I put TORLYS Laminate Floors anywhere in my house?

TORLYS Laminate is an engineered product, well-suited for installation anywhere in your home; below grade, over concrete and even over existing floors. Depending on the application, different underlays will be required. Ask your local TORLYS retailer for more information on different applications and what you may require.

How do I maintain my TORLYS Laminate floor?

TORLYS Laminate requires the same maintenance as all other TORLYS floors. Simply vacuum or sweep your floors once a week or as needed. To clean your floors, use TORLYS Natural Glow® Eco-Friendly Maintenance Kit once a week or as needed. Clean up any spills with a cloth.

What is the Uniclic® joint?

The Uniclic® joint is a patented joint quaranteed to resist gapping, warping and cupping. (Some floating floors promote their joint systems, but if it doesn't say Uniclic®,

it's not the same.) The patented Uniclic® is integral to TORLYS Laminate. During installation, it doesn't require messy glues or chemicals, or nails of any kind. Uniclic® creates a remarkably stable and gap-resistant floor, and because the click joint process is reversible, the floor can be re-used up to 3 times under warranty.

Can I easily repair my TORLYS Laminate floor?

Yes. TORLYS offers you the Bulldog, a tool that allows you to repair any plank in your floor, even if it's in the middle of your room, with no power tools, dust or noise.

Can I install TORLYS Laminate floors myself?

TORLYS uses the patented Uniclic® joint, a glue and nail-free joint system that ensures a great-looking floor and makes installation easy. All you need is a saw, hammer, installation kit, tape measure, pencil and some time to install your floor. There are also professional installers. Ask your local TORLYS dealer for more details on installation.

What underlay should I use?

TORLYS Underlays ensure that your laminate floor is comfortable and quiet. TORLYS offers a complete range of foam and cork underlays to suit your every need: from reducing step and ambient noise, to sound transmission between floors.

Can I order samples of TORLYS Laminate floors?

Yes. TORLYS Online Sample Ordering makes it easy to request any flooring sample. Visit our website at www.torlys.com, and click "Order Samples" on the home page. For a small fee, your package will include a minimum of three 4" x 6" flooring samples of the collection and style of your choice, up to four TORLYS brochures and a rebate coupon off your purchase.

Warranty Information

TORLYS Laminate Flooring is covered by a 35-year Residential Wear, Water, Stain and Fade Warranty, and a Lifetime Structural and Joint Integrity Warranty or a 7-year Limited Commercial Warranty, (Uptown, Lexington, Park Lane and Mainstreet collections).

The Manhattan collection is covered by a 25-Year Residential Wear, Stain and Fade Warranty and a Lifetime Structural and Joint Warranty. No Commercial Warranty.

- **1. Wear Warranty:** Restricted to wear on the surface of the boards. The wear must be readily visible and measure a minimum of one square centimetre (0.115 square inches). Gloss reduction is not considered wear.
- **2. Water Warranty:** The water warranty specifies that, under normal use and following TORLYS maintenance procedures, TORLYS Laminate Flooring will not delaminate.
- **3. Stain Warranty:** Regular household products (such as food, beverages and daily-use cleaning products) will not stain your TORLYS Laminate Flooring.
- 4. Fade Warranty: TORLYS Laminate Flooring will not fade from exposure to the sunlight or normal artificial light.
- **5. Lifetime Structural Warranty:** We guarantee that this product is free from manufacturing defects and will remain free of these defects for as long as you own your residence.
- **6. Lifetime Joint Integrity Warranty:** The joint will remain secure and the planks will not come apart. Note: All TORLYS Laminate Flooring is engineered to minimize gapping that can occur in natural floors with seasonal fluctuations. Minor gapping (up to 0.2 mm or 0.01 inches), without the unlocking of the pieces, may occur and is not considered a defect.

These warranties apply to the original end user, are not transferable, and cover only approved product applications. Warranties are valid from the date of purchase as shown on the consumer's invoice. These warranties are valid only if proper installation (including the use of TORLYS recommended underlayment products) and maintenance procedures, are followed. All TORLYS Smart Floors can be re-used up to three times under warranty Visit torlys.com for details.

Making a Difference

Eco-innovation is what sets TORLYS apart. Our products evolve and are improved constantly to enhance décor, benefit the natural world, and enjoy a long life in your home.

Like all TORLYS floors, a unique eco-engineered production process ensures an environmentally friendly floor. For laminate produced in North America, TORLYS state-of-the-art, high-density Smart Core contains no less than 74% recycled and fast-growing softwood from managed forests. And TORLYS Laminates are hypoallergenic — they don't retain allergens or dust mites — a big plus for indoor air quality.

Imagine a floor of such integrity that it can be re-used up to 3 times under warranty. With the patented Uniclic® joint, installation requires no chemical glues, creates little dust, and every floor can be easily disassembled and re-used in another room or in a second home, or donated to a local Habitat for Humanity ReStore.

All our floors are solvent-free and conform to the European (E1) and California Indoor Air Quality Standards (Public School 01350), which are among the most stringent air quality standards in the world.
